

Love God Love People

[Danny Gokey](#)

I've been running in circles
Jumping the hurdles
Getting caught in that rush of doing so much
I'm feeling kinda worn out

All this checking the boxes
Trying to be flawless
Has me spinning my head, catching my breath
Too afraid to slow down

I tell myself to keep this up
That God wants more than just my love
But I've been complicating things
It's just like me to overthink

(chorus) Gotta keep it real simple, keep it real simple
Bring everything right back to ground zero
'Cause it all comes down to this
Love God and love people (People)
We're living in a world that keeps breakin'
But if we want to find a way to change it
It all comes down to this
Love God and love people

Oh, this is freedom (This is freedom)
The keys to the Kingdom (Hey-ey)
Knowing life will be found when love can be loud
'Cause love is what it's all about

I tell myself to keep this up
That all God wants is just my love
No more complicating things
No more need to overthink

(chorus) Gotta keep it real simple, keep it real simple

...

It all comes down to this
Love God and love people

Love is patient, love is kind
Rescues hearts and changes lives
Love is all we need to make things right
Gotta keep it real simple, oh
It's really so simple, oh-oooh-oh-oh-ohh

(chorus) Gotta keep it real simple, keep it real simple

...

It all comes down to this
Love God and love people

Keep on loving, keep on loving
Love God and love people
So keep on loving, keep on loving
It's all about love
It's how we change the world
Love God and love people
