

FAMILY PROGRAM COVENANT

- We commit to monthly participation in The Pillars of Faith Family Program gatherings. We have reviewed the Family Program calendar for 2010 – 2011 and agree not to miss more than one family program gathering throughout the year.
- We understand that regular attendance at faith formation is required for our children making sacraments. We acknowledge this commitment and recognize that more than one absence may delay by one year our child's participation in any sacrament preparation program.
- We realize that, due to the scope of the Family Program, a strong volunteer base is necessary to guarantee its success. Therefore we agree to work all of our job assignments and to find replacements whenever we cannot.
- We are committed to our family's faith development and willingly choose to participate in the Pillars of Faith Family Program at the Catholic Community of Pleasanton. We have read the above covenant commitments and agree to uphold them.
