

Dear Parishioners,

The season of Lent invites us to find what is missing in our lives. Lent is the time to spring-clean the rooms of our heart and to deliberately seek that which has been misplaced, lost, ignored, so that our lives can once again reflect the life that Jesus invited us to live - 'I came that you might have life and have it to the full.'

Lent is a time of seeking and searching, a time for restoring and reclaiming. It is, indeed, a journey into the desert. I hope that you will find something in our parish Lenten Schedule to support you in your desert time.

Happy Lent,

Fr. Padraig
