

CCOP Stewardship – Raley’s & Nob Hill

Scrip Program

Use your Quality of Life Card at Raley’s and Nob Hill for their paperless scrip program. It makes it easy for you to support our community.

The Quality of Life Card is different than other scrip programs. For example, some retailers subtract 15% for administrative fees, but we absorb all those costs so your full contribution goes to support the organizations you've selected. What's more, there are no product exclusions with our program. All of your purchases except non-merchandise items (lottery tickets, money orders, sales tax, etc.) generate money for our community.

Here's how it works:

- Register online and select which organization you wish to support.
- Present your card to your cashier each time you shop. A percentage of your purchases will be donated to the Catholic Community of Pleasanton.
- Check your account periodically to see how much money you've raised as well as change your organizations and contribution percentages.

How to Sign Up:
