Email is the main way we communicate with you. We do not publish or share your email address. You may ask us not to use your email address for these purposes. To welcome you, we will list your family in the weekly bulletin. If you prefer we don't list it, call our CCOP office at 925 484-5020. The goal of this section is to create a greater sense of community by connecting people in our community with others in the community based on common interests and life experiences. At the same, we'd like to involve more parishioners in ministries that match their skills and interests. This information will never be shared outside the Catholic Community of Pleasanton for any reason.
