I like your discussion on Easter Egg Hunt. Before I present it to Hannah Newell, I want to settle on a few things –

Date – I see Palm Sunday in the plan. If we are wanting to replace the Easter Egg Hunt the Mom's Group did, their Easter Egg Hunt was held after the 1030am Grotto Mass on Easter Sunday. This was to reach the families that don't regularly attend Mass. So much goes on at Palm Sunday (procession into the Church) that we actually might not be approved for that day. Something to think about. I'd like you all to consider a Easter Sunday Easter Egg Hunt (will getting volunteers be difficult with this considered 'change'?)

Pentecost – (?)

Ice Skating – Mr. Ed can find the contact to reach at Tri-Valley Ice (Livermore) for a community skate. Has been \$15 dollar for skate time (about 1.5 hours & skate rental). Preferred days?

Bible Study – mirrors (?)

Lock-in – Consider first doing a twilight retreat (an evening lock-in...6 hours or so). Then move to having a lock-in after being able to share the 'success' of the twilight retreat (twilight lock-in).

Flowers – 4/13 Palm Sunday (explain)

SF Giants Game & St. Augustine in SF (with Fr. Mark)

Themes for Youth Group Nights – Ed has all of the following lessons from Ministry to Youth Lessons - [Core Teaching Series – Ministry to Youth](#)

Bible Studies - [Bible Studies for Small Groups – Ministry to Youth](#)

Click link to see the themed lessons

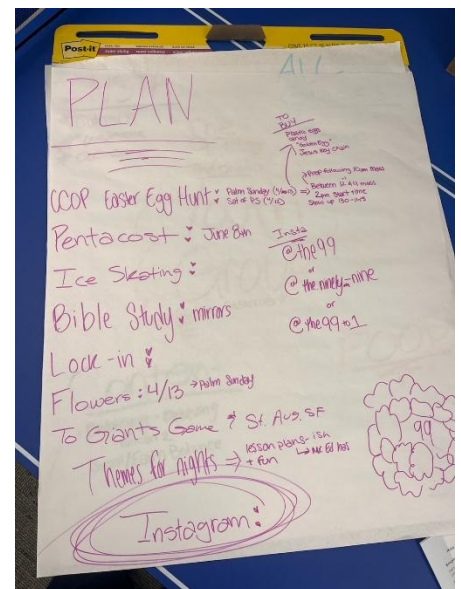

*Key here for Mr. Ed is Youth Group has to be fun (community building) and not so much 'preachy'. Absolutely inject faith...but we should be doing that all the time (if not through a lesson, then through our actions).

Instagram – The following handles appear to be available:

99atCCOP

the99atCCOP

the99_the1

the_99_the_1

the99_teens

(Mr Ed isn't thrilled about a handle that has to spell out 'ninety nine')

Merch – to be discussed more. Why? (fundraiser? le charge more; promote? le buyers pay cost) Design? Do we have any talented artists in our midst? (hold contest?) Color scheme? Where do we go? (VBS contact?)

Vinyl stickers? (water bottles, etc...)
