## Giving Made Easy

(GME) is the automated, electronic giving method used by CCOP. You specify the amounts and how often donations are made.

Two options:

### Automatic Credit Card:

You authorize CCOP to charge your credit card on a predetermined basis.

### Electronic Funds Transfer:

You authorize CCOP to withdraw your donation on a predetermined basis from a specified bank account.

Both options are easy to access and manage. Access is through a password protected, PCI compliant (highest level of security), website.

Go to the CCOP website at [www.catholicsofpleasanton.org](http://www.catholicsofpleasanton.org), and click on the Capital Campaign and click on the large green GME button. You will be directed to the secured GME website to sign in and set up your pledge amount.
