

Hallow

Dear Confirmation Preparation Parents/Guardians,

The Catholic Community of Pleasanton (CCOP) is excited to partner with Hallow, the #1 Catholic prayer platform to provide resources to strengthen our parish community's culture of prayer. Our parish partnership with Hallow strives to do four things:

- Help people have a personal encounter with the person of Jesus Christ
- Develop robust, personalized, and daily habits of prayer
- Build small Christian communities that are strengthened through prayer
- Fuel the mission of the Church through prayer

The CCOP Faith Formation program is excited to be partnering with Hallow this year to provide a tool for spiritual and mental health for faith formation students. The Hallow team works with Catholic parishes and schools across the country to offer the Hallow app for catechists to use it in the classroom with students.

In order to set up your child's Hallow account, we need your permission. Hallow complies with Federal COPPA guidelines, and you can read more about their privacy policy at hallow.com/privacy. Student accounts are given premium subscription access, but the parish community and direct messaging features are disabled.

Your student will have a Hallow account designed for use in the classroom and at home. The content on Hallow includes music, sleep stories, meditations, and prayers designed specifically for kids and students of all ages, as well as families.

You can also log in to your child's account by using the email address you specify below and the default password "hallowed". Student accounts can be accessed on up to 5 devices. We encourage you to take this easy opportunity to grow in your faith with your children as you listen and pray together on Hallow.

If you have any questions about Hallow or how a student account will be set up, please reach out to the Hallow team at ParishSupport@Hallow.app or equindipan@CatholicsOfPleasanton.org

Thank you,
Ed Quindipan, HS Program Coordinator
